The Tin Can

@Stokeley Farm Shop, Torcross, Devon

The Tin Can is a funky container store based at [Stokeley Farm Shop](#), near Torcross in Devon. It's nestled between two other container stores and other independent makers that have formed a mini craft village. Stokeley is predominantly a wonderful farm shop with funky cafe plus a bar called The Tap House.

The Tin Can is a creative collaborative of five makers including New Ember. There is so much talent from local maker and am proud to be a part of it. New Ember now offers a Click & Collect option at this location if you order online to save on postage costs if you are near to the area. See more [HERE](#)
